Dear Sir:

The attached Supplemental Information Disclosure Statement is being filed to fulfill the duty of candor and good faith toward the Patent and Trademark Office, as required pursuant to 37 C.F.R. § 1.56.

Listed on the attached PTO Form 1449 are three additional references which have come to the attention of persons substantively involved in the preparation of the application identified above, and that a reasonable Examiner would consider important when deciding whether to allow the application. Copies of the three references listed on the attached PTO Form 1449 are provided herewith.

The references are not to be construed as a representation that a search to locate the most relevant information has been made, nor a representation that more pertinent information does not exist. In addition, the identification of any information herein is not intended to be, and should not be understood as being, an admission that such information, in fact, constitutes "prior art" within the meaning of applicable law. The "prior art" status of any information is a matter to be resolved during prosecution.

Each item of information contained in this Supplemental Information Disclosure Statement was cited in a communication from a foreign Patent Office in a counterpart foreign application more than three (3) months prior to the filing of this statement.

Pursuant to 37 CFR § 1.97 (c), the Supplemental Information Disclosure Statement is being submitted herewith before the mailing date of any of a final office action, a notice of allowance, or an action that otherwise closes prosecution in the application, and is accompanied by the fee set forth under 37 CFR § 1.17 (p).

The Commissioner is hereby authorized to charge the appropriate fee of \$180.00 to Deposit Account No. 500645.
